GROWING AND LEARNING TOGETHER

Newsletter 8 - April 2025

Dear Parents/Carers,

As we come to the end of a busy and productive term, I want to acknowledge the hard work and dedication of our students and staff. We've seen great progress in the classroom and enjoyed some fantastic school events. It's been a term full of learning and growth, and I'm proud of what we've achieved together.

With the Easter break approaching, I hope you all have a chance to relax and enjoy some quality time with your families. Thank you for your continued support and involvement in your child's education. Your partnership is crucial to our school's success, and I look forward to seeing everyone refreshed and ready for the new term on Tuesday 22nd April.

Best wishes,

S. Garnett

Mrs S Garnett,
Interim Head of School

Chester Zoo

Chester Zoo Thanks Y1-Y6 Students!

We are delighted to announce that Chester Zoo would like to extend their heartfelt thanks to all the children in Year 1-6 for their enthusiastic participation in the Wildlife Connections project. This initiative focused on protecting and creating safe spaces for our native local wildlife.

As a token of their appreciation, Chester Zoo has generously provided each participating child with a family ticket, which they have already received. This ticket allows free admission for 2 adults and 2 children to Chester Zoo. Please note that the free admission **family ticket expires on 23rd April**.

A Special Thank You from Our School

We would also like to express our sincere gratitude to Chester Zoo for their generosity and for providing such wonderful experiences for our children. Your support has made a significant impact, and we are incredibly grateful for the opportunities you have given our students.

Thank you for your support and dedication to protecting our local wildlife!

KS2 SATs Boosters

In preparation for SATs week, our Y6 pupils have been engaging well with extra revision sessions.

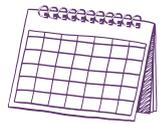

After half term, we invite our Y6 pupils to attend breakfast boosters on **Wednesday and Thursday mornings from 8:00-8:35am**, in addition to the Tuesday after-school booster session 3:15-4:00pm. These sessions will start the first week back from Tuesday 22nd April.

During SATs week, from Monday 12th May until Thursday 15th May, we encourage pupils to attend breakfast club from 8:00am each morning to ensure they are in school, settled and ready for the tests.

We recognise our Y6 pupils' hard work and are extremely proud of how tenacious they have been, and continue to be, in preparing for the KS2 SATs tests.

Dates for the Diary

- Tuesday 1st April - Easter bonnet competition & After-school Easter movie event
- Wednesday 2nd April - World Autism Acceptance Day (wear green)
- Friday 4th April - School closes for Easter half term at 3:15pm
- Tuesday 22nd April - School opens for summer term 1 and after-school clubs start

- Monday 5th May - School closed for Bank Holiday
- Tuesday 6th May - Class photos
- Monday 12th May-Thursday 15th May - SATs week for Y6 pupils
- Tuesday 20th May - Y5/6 school trip to Science and Industry Museum
- Wednesday 21st May - School closes for half term at 3:15pm
- Monday 2nd June - School opens for summer term 2
- Wednesday 11th June - HHS Celebration Event at Halton Stadium for Eco-Council pupils
- Wednesday 11th June - Puberty workshop for Y6 and Period workshop for Y5/6 girls

School Events

EYFS Stay & Play Sessions

A huge thank you to all the amazing EYFS parents and carers who joined us for our last Stay and Play event! It was such a wonderful success, and we loved seeing the children proudly show their parents the places where they learn and grow every day. Due to the fantastic response, we're excited to announce that we're going to make this a regular event every half term.

We can't wait to see you all again next time!

Year 1/2 visit to Liverpool World Museum

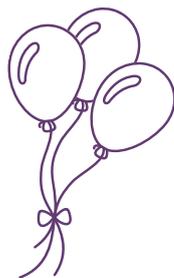

The pupils thoroughly enjoyed their trip to Liverpool Museum this term. The class were guided to a special part of the museum where there was a timeline of toys; the children explored how the toys have changed and developed over time. They had an interactive workshop afterwards, where they had the chance to order toys through time, play with a range of toys, as well as discover some toys they'd never seen before such as a kaleidoscope, a Jacob's Ladder and a zoetrope! What a wonderful, interesting day!

Birthday Shout Out

April:

- 3rd - Edward (Y1)
- 11th - Miss Clark
- 18th - Gabby (Rec)
- 24th - Mrs Collins
- 29th - Paige (Rec)

SEND Section

World Autism Awareness Day – April 2nd

World Autism Awareness Day shines a light on understanding and celebrating the strengths of individuals with autism. It's a chance to promote acceptance, inclusion, and support for those who experience the world in unique and wonderful ways. We invite everyone to wear their own clothes with something green to show our support

Exciting News! Sensory Room Opening Soon!

We're thrilled to announce that our brand-new sensory room will be open and accessible to all pupils after the Easter break! The space is filled with exciting new sensory equipment designed to help children explore, relax, and engage in sensory circuits that support focus, movement, and regulation. We can't wait for everyone to enjoy this wonderful new addition!
