GROWING AND LEARNING TOGETHER

Newsletter 9 - May 2025

Dear Parents/Carers,

I am delighted to share that we have had a successful first couple of weeks back, with the children settling in wonderfully to the summer term. It has been lovely to see them make a great start to the final term of the year, embracing their learning with enthusiasm and dedication. We have a range of exciting trips and events planned for this term, which promise to provide enriching experiences and lots of interesting learning opportunities for our pupils.

As we approach SATs week for our Year 6 pupils, I want to express how proud we are of all of the pupils' continued integrity and tenacity. Their hard work and determination is truly commendable. I would also like to extend my gratitude to the pupils and parents who have taken up the offer of the additional booster sessions we have provided. Your commitment to ensuring the best possible preparation is greatly appreciated. Together, we are already making this term a memorable and successful one.

Kind regards,

S. Garnett

Mrs S Garnett,
Interim Head of School

Parking

- As we continue to prioritise the safety of our pupils and families, parents are kindly reminded to avoid parking dangerously outside the school premises. Your cooperation is essential in ensuring a safe environment for everyone.

Uniform

- We would like to remind you of the positive impact our pupils have when they wear their full school uniform with pride. Wearing the uniform not only helps them represent our school positively but also fosters a strong sense of pride and belonging within our school community.

Important Reminders

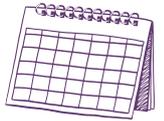

Sun Cream

- Due to the recent warm weather, we remind you that you are welcome to provide sun cream for your child to have in school to top up throughout the day. Sun cream brought into school needs to be clearly labelled with your child's name and class, and will only be available to use by your child due to allergies and skin conditions.

Your support in these matters is greatly appreciated. Thank you for your continued cooperation and understanding.

Boxing Gym Visit

To celebrate the end of the 'Box to Beat It' course, the children had an exciting visit to the gym. They experienced what it's like to train like real boxers, taking part in a range of fun and energetic activities. From warm-ups and fitness drills to practicing boxing techniques, every child was fully engaged and gave it their best.

It was a fantastic opportunity for them to build confidence, teamwork, and resilience – all while having a great time. The children thoroughly enjoyed the session, and it was a brilliant way to mark their achievements with a fun and memorable experience!
