GROWING AND LEARNING TOGETHER

## October 2025

Dear Parents and Carers,

As we reach the end of our first half term, I'd like to thank all our pupils for the excellent start they've made to the school year. It's been great to see such positive attitudes to learning, strong attendance, and pupils arriving on time and ready for the day. The smart presentation of school uniform has also stood out, and it's been especially pleasing to see pupils wearing their full PE kits with pride when representing the school.

We've recently awarded our Young Leader roles, and we're proud of all the pupils who were elected to take on responsibilities this year. Each leader group has an important part to play in school life, and we're looking forward to seeing the ideas and contributions they bring over the coming months.

Kind regards,

*S. Garnett*

Mrs S Garnett,  
Interim Head of School

## Healthy Pupils, Healthy School!

At Bridgewater Park, we're proud to be a healthy school and want to encourage all our pupils to make nutritious choices throughout the day. At break times, we suggest bringing a healthy snack like a piece of fruit or a cereal bar.

When packing your lunchbox, aim for a balanced meal that includes fruit and vegetables to help you stay focused and feel great.

Don't forget to bring a water bottle each day too—staying hydrated helps keep our minds sharp and our bodies feeling their best!
